THE FUTURE?

# DROPPING FLAVOUR BOMBS

## FREE RANGE CHICKEN

Our chicken wings are free-range - We believe happy chickens are tasty chickens! All our wings are brined & breaded in-house, and fried fresh to order. We cook at high temperatures for the crispiest juiciest chicken, cooking to temperature not colour, for a more precise indicator of done-ness

## GIVING THAT VEGGIE LOVE

Over 50% of our menu is plant-based. Our cauliwings are renowned for flavour and bite, because we brine, bread and fry them just like our chicken wings (but in separate fryers!)

## SMALL BATCH CRAFT BEER

Our selection of beers are second to none, we specialise in small-batch craft beer that packs serious flavour in every sip

## HOUSE-MADE SAUCES

Our sauces are flavour bombs fuelled with cultural inspo, home cooked love and a desperation to create proper tasty wings - we make all our sauces fresh, in-house

## HALAL & GLUTEN-FREE

Good food should be for EVERYBODY. We have a range of halal, gluten-free and dairy-free options available. Please speak to a team member about dietary requirements and to see an allergen chart if needed

## FRESHLY SHAKEN COCKTAILS

We believe great food deserves great drinks and that's why we've curated a cocktail list to pair perfectly with your meal. You can even keep the party going by asking the bar team to make you a cocktail to take away with our nifty little canning machine

## NORFOLK-BRED CHICKENS

Free-range chickens reared in high-welfare conditions in the Norfolk countryside; Carefully butchered in Sandy

## FANTASTIC MR HOPS

Brewed exclusively for Foxy. A fresh, hoppy, hazy pale ale packed with flavour for it's low percentage!

## BRAYBROOKE HELLES
